

Hiking ?

You feel like hiking within a group or with your family, through our green valley's ? RandoEvasion is meant for anyone who's in love with hiking and nature.

Join us for a discovery of some remarkable sites as well as their fauna and flora. We are proposing a lot of different hikes in Belgium or elsewhere. On our program: from average to semi-sportive hikes for a day, a weekend or slightly longer.

Our team is composed of professional hiking- or mountain guides. Our guides are Multilingual (French - Dutch - English - German) and their experience takes us to everywhere in Europe and even further in other geographies.

Our device « Quality and -Flexibility »: possibility to participate to one of our hikes already published in our agenda, or to create your own tailored hike with us, only for your group or your company
